15. Multidisciplinary / interdisciplinary

The affiliating university is going to implement NEP based on Multidisciplinary and interdisciplinary CBCS system from the academic year 2023-24. However, the institute is multidisciplinary in nature as it caters to three disciplines namely - Humanities, Science and Commerce.

In faculty of Humanities there are 9 programs including English, Marathi, English Literature, Marathi Literature, Economics, Home Economics, Political Science, History and Music. We also offer PG programs in Marathi, Music and History.

In faculty of Science, we offer Chemistry, Physics, Mathematics, Botany, Zoology and Microbiology. In Commerce stream we offer Principles of Economics, Advance Accountancy, Principles of Business Organization, Computer Fundamentals & Operating Systems, Business Economics, Financial Accounting, Principles of Business Management, Company Accounts, Business Mathematics, Auditing, Monetary System, Information Technology & Business Data Processing, Corporate Accounting, Business Statistics, Income Tax, Indian Financial System, Cost Accounting, Business Environment, Business Regulatory Frame Work, Indian Insurance System, Indian Banking System, Management Accounting, Economics of Development, Company Law.

In all streams of UG courses Compulsory English and Compulsory Marathi are compulsory subjects. At present the affiliating university is proactively working for implementation of the suggestions given in the NEP. The institution is now offering CBCS curriculum at UG and PG level programs. The institution intends to offer a multidisciplinary flexible curriculum as per the guidelines of the affiliating university from the academic session 2022-23. Whereas the institution conducted one certificate course entitled 'Water Analysis and Treatment with G-mapping', various departments organized workshops, guest lectures and student-centric activities during the session 2022-23.

16. Academic bank of credits (ABC):

In view of NEP 2020 the affiliating university has registered for ABC on 17th May 2022. During the session 2022-23 the institution encouraged students to register on governmental portal Academic Bank of Credits. The enrolled students of the institution are registered on government portal Digi locker where data of students got secured. Each student has been given separate ID and password through which they may accumulate the information of their academic credits during their education.

17. Skill development:

Considering the requirement of the students, the institute organized various skill development programs during the session. Four Day Soft Skill Development Workshop was organized for students from 21/02/2023 to 24/02/2023 in collaboration with Student Development Cell, Sant Gadge Baba Amravati University, Amravati. Dept. of Chemistry conducted Certificate Course on 'Water Analysis and Treatment [with G-mapping](#)'. In order to develop basic skills of students, various laboratory experiments are undertaken in the programmes of Chemistry, Physics, Microbiology, Botany and Zoology. Besides, the faculty members of Commerce, Home Economics and Music employ varied experiential methods in their laboratories to develop basic skills of the students. Various programs of the institute offer a large amount of flexibility for the students in choosing individual curriculum and certain subjects. The institution makes efforts to make the staff and learners aware about their commitment to the country. The institution follows the curriculums developed by S. G. B. Amravati University, Amravati which covers cross-cutting issues regarding professional ethics, gender issues, human values, environment and sustainability. Varied student centric events and programmes were organized during the session to inculcate human values, scientific temper and life skills in the students.

18. Appropriate integration of Indian Knowledge system (teaching in Indian Language, culture, using online course)

Some parts of syllabi of the subjects like Marathi Literature, Botany, Music, History are based on traditional and ancient aspects to boost regional knowledge and culture. Teachers are encouraged to prepare subject material into the regional language. Students are motivated and counselled to publish their articles in the college annual magazine 'Asmita'. Syllabi of certain subjects like Marathi, History and English deal with Indian knowledge system. Faculty members are encouraged to use regional language as a medium of instruction during teaching-learning process. They are also

motivated to publish research articles in various forums in regional language. Syllabi of PG courses contain abundant part of Indian traditional knowledge, culture and arts.

19.Focus on Outcome based education (OBE):Focus on Outcome based education (OBE):

The college runs 3 UG and 3 PG courses. Instructional materials are selected by the staff members, various teaching methods are adopted by the staff, and evaluation is conducted. For every semester the affiliating university conducts examinations and the measure of attainment in form of knowledge outcome is judged by the University itself at the end of every academic semester. The internal assessment is carried out on the bases of home assignments, practical records, class tests, seminar presentations, group discussions, personal interviews, viva-voce, class participation, etc. Moreover, class tests and surprise tests are conducted by the faculty members to judge students' comprehension level. The institute has been taking efforts for the attainment of program outcomes, program specific outcomes and course outcomes to ensure comprehensive learning of programs and courses. The attainment of programme outcomes and course outcomes are communicated to students' parents during Parent Teacher Association meeting. With regard to the Outcome based education the Institute annually organizes convocation ceremony to confer upon students their degrees and to recognize students' achievements.

20.Distance education/online education:

The institution started Yashwantrao Chavan Maharashtra Open University Nashik Study Centre in 2012-13. Teachers are suggested to develop e-content and online teaching material. Departments have developed their departmental websites to provide study material to the students. Besides, the faculty members are motivated to participate in advanced training programs and courses. In view of NEP the institution intends to offer vocational courses through Open and Distance Learning (ODL) system/mode as per the guidelines of the affiliating university. The institution invariably intends to encourage the faculty members to use innovative and creative tools and techniques in teaching-learning process. There are four ICT enabled classrooms available in the college. The library is equipped with online resources of NList. Wi-Fi facility covers all teaching departments and units of the college.

2.2 - Catering to Student Diversity

2.2.1 - The institution assesses the learning levels of the students and organizes special Programmes for advanced learners and slow learners

Students from diverse learning needs at the entry level are identified on the basis of academic performance of previous examinations, performance in class tests, participation in varied departmental co-curricular activities, responsiveness in classroom teaching-learning process and feedback from functional mentor-mentee system. After categorization into slow and advanced learners, the following need-based activities are conducted through respective faculty members:

Steps taken for Advanced Learners

Advanced learners are encouraged to participate in inter-collegiate competitions and to participate in science exhibitions, poster presentation competitions, workshops and seminar presentations.

Advanced learners are encouraged to go through reference books and other study material available in the college library.

ICT tools and E-resources are available for further progress of advanced learners.

Reference books and journals are available for advanced learners in

departmental libraries.

Steps taken for Slow Learners

Class tests and guest lectures were organized.

Slow learners are encouraged to participate in seminars and group discussions.

Tutorial classes provide additional support to slow learners to augment their academic performance.

Availability of question papers set of previous university examinations in central library.

Slow learners are counseled through Mentor-Mentee mechanism.

Video-recorded lectures are made available on departmental websites for the slow learners.

2.3 - Teaching- Learning Process

2.3.1 - Student centric methods, such as experiential learning, participative learning and problem solving methodologies are used for enhancing learning experiences

Effective curriculum delivery and planning ensure experiential learning, participative learning and problem-solving methodologies. The faculty members promote experiential learning methods during teaching-learning process. Laboratory experiments are undertaken in the programmes of Chemistry, Physics, Microbiology, Botany and

Zoology. Besides, the faculty members of Commerce, Home Economics and Music employ varied experiential methods in their laboratories.

Educational tours, field projects, seminar presentations, industry visits, group discussions help the students to obtain first-hand experience and practical knowledge of the subjects. Students enrolled in Certificate Courses could improve their subject knowledge in a better way. Involvement of students in essay competitions, quiz competitions, poster competitions, debate competitions, workshops, etc. make teaching- learning process participative and enjoyable. Organization of Science Exhibition, elocution competition, inter-collegiate competitions enhance learning experiences of the students.

Home Assignments and projects assigned to the students are very effective to explore the students' potential and to provide ample scope for mutual learning. Besides, the students are encouraged to demonstrate their projects and seminars through Power Point Presentations. Research scholars enrolled in the institution are given problem-oriented research work by their supervisors. The faculty members adopt problem solving methods to enrich students' creativity, critical thinking, reasoning power and decision-making ability.

2.5 - Evaluation Process and Reforms

2.5.1 - Mechanism of internal assessment is transparent and robust in terms of frequency and mode. Write description within 200 words.

The institution has a transparent and robust mechanism of internal assessment of students. The schedule of internal assessment viz. class tests, viva-voce and practical examinations is carried out in accordance with academic calendars of the affiliating university and college. Notices are issued by departments to inform the students about the date and time of the internal assessment. The internal assessment is carried out on the bases of home assignments, practical records, class tests, seminar presentations, group discussions, personal interviews, viva-voce, class participation, etc. Moreover, class tests and surprise tests are conducted by the faculty members to judge students' comprehension level. The question papers for the internal examinations are prepared by concerning faculty members. Students are encouraged to discuss their doubts and difficulties about the assessment outcomes.

As far as transparency of internal assessment is concerned, the faculty members set question papers as per university examination pattern. The internal assessment scores are displayed on the notice board for total transparency. Students are allowed to verify their answer sheets. Proper actions against those who commit malpractices are taken. CCTVs are installed in the examination halls to ensure total transparency.

2.5.2 - Mechanism to deal with internal examination related grievances is transparent, time- bound and efficient

There is effective, transparent and time-bound mechanism to deal with internal examination related grievances in the institution. The internal examination related grievances like marks entry problem on university portal, online portal server problems, hall tickets issue, mistakes in students' names and subjects, technical problems during online practical examinations, delay in assignment submission, class test, practical record etc., are redressed by respective teachers and clerks. The teachers and concerning examination clerks solve the grievances of students within a short period. The faculty members follow the guidelines of affiliating university for redressal of students' grievances about internal examinations. Answer sheets of internal examinations are shown to the students after the assessment by the concerning faculty members for further clarification of the students. Grievances regarding the

internal assessment are addressed at the college level. The process to deal with internal examination related grievances is completely transparent and completed in a stipulated time. Sometimes, the faculty members resolve students' grievances by showing them their answer sheets or their answer sheets are reassessed in their presence. Suggestion box is kept at the entrance of administrative block.

2.6.2 - Attainment of Programme outcomes and course outcomes are evaluated by the institution.

There is a structured mechanism for evaluating the attainment of students in order to accomplish Vision and Mission of the institution. The evaluation of attainment of programme outcomes and course outcomes was carried out through students' performance in the university examinations and internal assessment. The attainment of programme outcomes and course outcomes are analyzed through various methods to improve teaching-learning process. Various methods of analysis include performance of students in the university examinations, students' performance in projects, assignments, practical and internal examinations, feedback of students, and students' participation in curricular and extracurricular activities.

The academic progress of students is monitored through Mentor-Mentee mechanism. Students' progression to higher education and students' placement in various sectors are also taken into consideration for evaluating attainment of programme outcomes and course outcomes. Structured feedbacks on curriculum are collected, analyzed and actions are initiated to implement changes in curriculum. This feedback mechanism also contributes for the attainment of Programme outcomes and Course outcomes.

The attainment of programme outcomes and course outcomes are communicated to students' parents during Parent Teacher Association meeting. Organization of convocation ceremony aims to confer upon students their degrees and to recognize students' achievements.

5.3.2 - Institution facilitates students' representation and engagement in various administrative, co-curricular and extracurricular activities (student council/ students representation on various bodies as per established processes and norms)

The college provides an opportunity to students to develop leadership by organizing and carrying out varied administrative, cocurricular and extra-curricular activities. As the students are the most critical stakeholders in the institution, they are given opportunities to share their views in the development of the institution.

The college facilitates students' representation and engagement in various administrative, co- curricular and extracurricular committees such as IQAC, Internal Complaint Committee, Women Counseling Cell, College Annual Magazine Committee- Asmita, Anti-Ragging Committee, College Annual Function Committee. Students' representatives constantly work in NSS Unit and NCC troop. Some of the students are also involved in departmental activities.

These representatives attend meetings of these committees and their suggestions are considered by the Principal and members of committees. Students' representatives actively participated in celebrations of Annual function, national and international commemorative days, events and festivals.

5.4 - Alumni Engagement

5.4.1 - There is a registered Alumni Association that contributes significantly to the development of the institution through financial and/or other support services

In our college there is registered Alumni Association. The Association has been working in the college for last 21 years. In all there are 602 alumni registered in the Association. The members of the Association are holding posts in various sectors. Twelve institutional scholarships are sponsored by the alumni. The association maintains constant correspondence with the members.

The Association conducted annual meeting on 13th November, 2022. Hon'ble Balwant Baswant Wankhade, member of the Legislative Assembly, Govt. of Maharashtra, Daryapur region, Prof. Prabhakar Kolkhede and numerous members of the Association were present during the Alumni Meet the college. Mr. Balwant Wankhade and Prof. Prabhakar Kolkhede and Principal Dr. A.K. Bodkhe interacted and guided the students through his speech. Various curricular and extracurricular issues were discussed during his interaction with other members of the association.

Members of the Association interacted with NAAC Peer Team members on 23rd January, 2023 during 3rd Cycle of NAAC reaccreditation. Besides, the suggestions and recommendations of the alumni are discussed in the meetings of College Development Committee, IQAC and Staff Council. Feedback containing six parameters from alumni is collected by the Association. The alumni often contribute to the development of the college through financial and non-financial

means .

GOVERNANCE, LEADERSHIP AND MANAGEMENT

6.1 - Institutional Vision and Leadership

6.1.1 - The governance of the institution is reflective of and in tune with the vision and mission of the institution

Vision statement

To impart education to the poor and unprivileged students from the farmers' families and provide them new horizons in the wide spectrum of society in order to fulfill the dreams of the founder of Shri Shivaji Education Society, Dr. Panjabrao alias Bhausahab Deshmukh.

Mission statement

To strive to reach the goals set by Dr. Panjabrao alias Bhausahab Deshmukh, founder of Shri Shivaji Education Society, Amravati who always emphasized the onward march of the human race towards excellence in every walk of life.

The institution focuses on the academic area with relation to our Vision and Mission statements.

Aims & Objectives

1. To facilitate creativity and wisdom in the students.
2. To make research facilities available to students in all the branches.

3. To strive for the overall personality development of the students.

4. To enable the students to face the challenges of competitive world.

The institution intends to provide quality education to all coming from different strata of the society. The same is reflected in Vision and Mission statements of the institution.

6.1.2 - The effective leadership is visible in various institutional practices such as decentralization and participative management.

The Institute follows a decentralized mechanism to enable everyone to be a part of the work culture. The college is governed by Shri Shivaji Education Society, Amravati which collects all the necessary feedback from the Principal during College Development Committee. All the academic, financial and other activities are carried out with the approval of the Management. Principal exercises authoritative control over the working of the staff through IQAC.

IQAC has formed various committees to carry out proper functioning of the work. Various administrative responsibilities are allocated to teachers. These committees operate under the guidance of IQAC. Periodically, they report the progress to IQAC. Participative management is ensured at the strategic, functional and operational level. All the official records are maintained by the office.

Case Study:

Title: Organization of Annual Function

This annual event reflects participative management of the institute. Under the guidance of the Management, we organize various events in Annual Function.

Objectives:

To provide opportunities to students to display their hidden talents through participating in various cultural events.

To encourage students for academic progress through felicitation of meritorious students.

To motivate the staff in order to pursue academic excellence in their respective fields.

6.2 - Strategy Development and Deployment

6.2.1 - The institutional Strategic/ perspective plan is effectively deployed

The institution has defined the strategic/perspective plan at the beginning of each academic session. IQAC prepared perspective plan which reflects its mission, aims and objectives with the changing needs of the staff, students and different stakeholders. The plan was devised in consultation with the management and various stakeholders. The institution is committed to encourage and motivate the staff and students to achieve the desired goals of the Plan.

The perspective plan intends careful, internal building development as well as prudent growth of the infrastructure to keep pace with the academic growth. IQAC monitors the implementation of the perspective plan.

Aspects included in the perspective plan:

Enhancement of research work

Organization of workshops, seminars and conferences

Academic Audit Process

Implementation of Choice Based Credit System

Feedback mechanism from various stakeholders

Timely submission of AQAR

Community service through extension activities

Submission of institutional data to MIS, AISHE and NIRF

Effective curriculum delivery through a well-planned documented process

Extensive use of ICT tools and resources in teaching-learning process

Introduction of Certificate course

Provision of student counselling and career guidance

Completing the process of SSS

Infrastructural development

Increasing the use of nonconventional energy sources

Promotion of gender equity programmes

Environment friendly practices

6.2.2 - The functioning of the institutional bodies is effective and efficient as visible from policies, administrative setup, appointment and service rules, procedures, etc.

The institution is governed by Shri Shivaji Education Society, Amravati. The apex body of the institution is College Development Committee. The parent society looks after the entire procedures, administrative setup and proper function of the institution.

The institute practices Participative Management in all functions of various bodies. CDC is responsible for taking various measures for incremental growth of the institution. IQAC completes the structured feedback collection from various stakeholders. The institution governs with the decentralization policy. IQAC frames the various

committees and the members of the committees perform the task as per the suggestions given by IQAC. The college seeks decentralization of power structure through its committees.

The Management is the authority to recruit staff as per the norms stipulated by UGC, Government of Maharashtra and the University. The vacancies as per general merit quota and community merit quota are advertised in leading newspapers.

Roaster System is strictly followed during Faculty and Staff recruitment. Preference is given to qualified candidates. Recruitment, promotions, PF facility, the pay scale, service conditions, public holidays, vacations for the staff and other service rules and procedures are as per the norms stipulated by UGC and Maharashtra University Act.

6.3.5 - Institutions Performance Appraisal System for teaching and non- teaching staff**The Performance Appraisal System for teaching and non-teaching staff**

is followed as per UGC norms and guidelines of Govt. of Maharashtra. At the end of each academic session teachers submit proforma of Performance Based Appraisal System (PBAS) for promotions under Career Advancement Scheme (CAS) to IQAC. PBAS proforma contains general information of the faculty, his/her teaching, learning and evaluation related activities, involvement in administrative, examination, co-curricular, extension and professional development related activities, research, publications and academic contribution during the year. Performance of teachers is also assessed through students' feedback mechanism. PBAS proformas of the teachers are evaluated and verified by IQAC, the Head of the Institution and then forwarded to the Screening/Selection Committee comprising the Government nominee, Management nominee, Principal and subject experts from the university. The teachers get promotion to the higher grade or level through the Screening/Selection Committee. Besides, teaching and non-teaching staff submit confidential reports to the Parent Society at the end of each academic session. The following teachers got promotion under CAS during the session 2022-23:

- 1) Dr. Santosh J. Uke: AL-11 to Al-12 dated 01/07/2022
- 2) Dr. Pushpa M. Dahikar: L-13 to L-14 dated 23/08/2022

6.4 - Financial Management and Resource Mobilization

6.4.1 - Institution conducts internal and external financial audits regularly Enumerate the various internal and external financial audits carried out during the year with the mechanism for settling audit objections within a maximum of 200 words

The institute conducts internal and external audits regularly. The institute has framed definite strategies to bring transparency in its audit process. The books containing accounts and the relevant evidences are subjected to both internal and external audit. Every financial transaction is recorded by concerning clerk in the

institute. Besides, the expenses made for various heads are recorded and maintained properly.

At the end of every academic session internal annual audit is done through the Chartered Accountant V. S. Jadhav and Associates, Amravati. Annual Internal Audit ensures that each and every financial transaction is checked and scrutinized. The audited statements then are verified in the meetings of College Development Committee. During the audit process the institute submits relevant documents to the Chartered Accountant to settle certain objections raised by Chartered Accountant. However, there were no objections in the audit process as the institute follows a good system of financial transactions such as calling quotations, comparison of rates and preparation of purchase order etc. All these transactions are approved through the treasurer of the Parent Society. The institution conducted internal financial audit through the Chartered Accountant in the months of August and September, 2023.

6.4.3 - Institutional strategies for mobilization of funds and the optimal utilization of resources

The institution adopted the system for optimal utilization of funds. Each year requirements of various departments are submitted to the

Principal through IQAC. These requirements are then placed in the Meeting of College Purchase Committee. After the approval of Purchase Committee the fund allocation as per requirements is sent to the Parent Society. After the approval of the Parent society the fund is allocated to the concerning departments and committees. The concerning staff perform all activities like inviting tenders and quotations, preparing comparative statements/estimation etc. Funds were properly utilized for academic, physical infrastructure requirements and library resources. The college maintained all records of income and expenditure to ensure financial transparency.

The institution conducted internal annual financial audit through the Chartered Accountant at the end every session. The audited statements are verified by CDC. External audit and assessment of income-expenditure is done by the Auditor-General of the Government of Maharashtra periodically. Besides, Government Department of Higher Education through Joint Director of Higher Education, Amravati Region regularly completes the assessment of salary and non- salary expenditure and fix the grants of the institute by verifying the records of expenditure incurred during every financial year.

INSTITUTIONAL VALUES AND BEST PRACTICES

7.1 - Institutional Values and Social Responsibilities

7.1.1 - Measures initiated by the Institution for the promotion of gender equity during the year

The institute deals with issues pertaining to Gender Equity and Sensitization. Being a co-education institute, nearly 60% girl students are admitted to various courses in the college. The institute is keen on providing safety and security of students and staff in the campus and takes necessary measures to raise awareness with regard to gender equity concerns. The college is under CCTV surveillance fixed at various locations in the campus.

The security guard is appointed to secure the campus and to avoid intruders from outside. Local Daryapur Police Station offers all security measures for girl students as one Complaint Box for girl students has been fixed in the college by the concerning authority. The faculty members and non-teaching staff provide counselling regarding various academic issues of the students.

Women Counselling Cell, Internal Complaint Committee and Dept. of Home Economics have organized various guest lectures and workshops for girl students. Mentor Mentee mechanism is implemented under which the faculty members work as mentors to address various stress related issues. There are provisions of Girls' Common Room, availability of fire extinguisher, separate wash room for girls, first aid kits, and sanitary napkin vending machine. Special Women Zone has been made available for girls.
