REPORT ON VISIT TO WATER TESTING LAB DARYAPUR
SESSION 2023-2024

On 07 March 2024, Students of B.Sc. IIIrd year from Microbiology Department visited Sub Divisional Water Testing Laboratory in Daryapur. The purpose of the visit was to familiarize ourselves with the practical aspects of water quality assessment and analysis. The visit commenced at 10 am with a warm welcome by the laboratory staff, who provided an overview of the laboratory's functions and its role in ensuring water safety for the region. We were guided through various sections of the laboratory, each dedicated to specific tests and analyses related to water quality.

The visit to the Sub Divisional Water Testing Laboratory in Daryapur was both educational and enlightening. It provided us with a deeper understanding of the practical applications of theoretical knowledge gained from the syllabus. Dr. Nivrutti Bagalkar, Ad-Hoc Assistant Professor of Microbiology was in charge of this activity.
