## **Mentor Mentee Report**

### **Session 2021-2022**

#### **Aim of Mentor Mentee System (MMS) –**

Students in general and those coming from rural area in particular, get benefitted by having a functional report with teacher for academic & extra academic matters. The Mentor-Mentee System has been implemented in our institution to serve this very purpose. Teacher as Mentor are assigned a limited number of students as their Mentees. MMS help the teacher as well as students in enhancing the outcome in varied aspects like TLP,CIE, Internal Assessment, Personality Development Career Counseling , support in Health, Psychological & Financial matters, to name a few .

#### **Program of MMS –**

These Mentors help their Mentees in identifying & solving their problems. Interactive sessions are conducted by the Mentor to assess the students individual characteristics pertinent to the system.

#### **Outcome of the MMS -**

Very good Mentor- Mentee rapport has given the institution satisfactory outcome consistently. The students feel free to discuss their problem of varied nature, with their Mentor, who in turn guide & help the students in problem solving. There is a very healthy & mutually respectful bond in MMS in our college. All the girl students are extremely happy with the system.
