## Report

### Online State Level Workshop on Research Methodology- Department of Physics and Department of English

A State Level Workshop on Research Methodology was successfully organized on 19th May 2022 by Department of English and English Research Centre in collaboration with IQAC and Department of Physics in the college. I/C Principal Dr. Arun P. Chandurkar chaired the workshop while Dr. Umesh Ghodeswar from Shri Shivaji Arts, Commerce & Science College, Akola was the resource person. On this occasion, Dr. Umesh Ghodeswar shared his experience with the participants on research. Through his power point presentation he tried to unfold every aspect of research process through which a researcher has to go. While highlighting the major things to be followed by the researchers in their research have been elaborated by him and appealed the researchers to study it in detail to have its full application in their research. A Research method is an integral part of our research design. Therefore, it is said that research methods are specific procedures to be followed by the researcher to complete his research work, he added.

In his presidential address Principal Dr. Arun P. Chandurkar congratulated the organizers, resource person and participants for showing their interest in this event to make it successful and prove it fruitful for all. Research is an unending and continuous process. So, such positive interest and response will surely produce better results for the society, he added.

Convener of the workshop and head of English Department Dr. Narendra T. Mane introduced the guest and also unfolded its importance and the motto behind organization of this event. IQAC co-ordinator Prof. M. K. Hole expressed his views on this occasion. Organizing secretary and head of Physics department Dr. Santosh Uke also talked about the importance of such workshop. Dr. D. B. Wankhade anchored the workshop while Dr. Sushil Charpe proposed vote of thanks. Dr. Rakhi Bhagwat also worked for the success of the event as organizing member. This workshop was open for all. It was held in online mode through Zoom and YouTube. Eighty-two participants through Zoom Meet and hundred and twenty through YouTube platform from all over Maharashtra and some of from other states had participated in this workshop. Participation of teachers, research supervisors, research scholars and students from all the streams really made this workshop a grand success.

## **Day 2 (5th March 2022):**

On the second day of the workshop, the entire team went for field collections on the FTI campus. The team was again divided into three groups and collections were made. The participants were very enthusiastic and they were having many queries about the diet, web design, sexual dimorphism and other related questions. It was a delight to observe the huge webs of *the Eresidae family*. The vegetation was dry but still, we got a good collection. Initial examination of the collection was made and we found to have collected individuals from ten families that are reported from India. The collection was labelled and deposited at the museum of Forest Research Institute, Chikaldhara. The participants were encouraged to identify the spider collection they made on the previous day of the field trip. They were grouped into five groups and then during the panel discussion one member of each group summarized their findings and made discussions on the same. The participation of these trainees was very important for the success of the workshop. Shri Y. S. Bahale encouraged the trainees from the start till the end of the workshop. His efforts were very well observed with the smooth functioning of all the sessions. In the valedictory function, Shri Kishor Rithe Member, State Board for Wildlife, Govt. of Maharashtra was the chief guest and he emphasized on the spider and other wild animal associations. He said spider will be included in the future conservation plan of the forest department.
