REPORT ON ACTIVITIES CONDUCTED FOR SLOW AND ADVANCE LEARNER

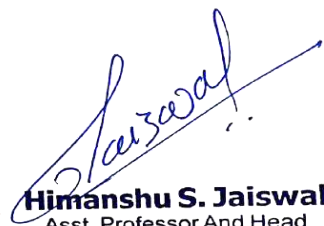

Activities for Slow Learners:

For slow learners, graphic organizers like mind maps, charts, or diagrams to visually represent information and help slow learners to organize their thoughts. We provided guided reading sessions where slow learners can read along with the teacher or a peer, pausing to discuss comprehension questions or unfamiliar vocabulary. We conducted hands-on experiments or demonstrations that allowed slow learners to experience concepts tangibly, making abstract ideas more concrete.

Activities for Advanced Learners:

Research projects are assigned to advanced learners in the topics related to the curriculum but with greater depth or complexity, allowing advanced learners to explore their interests in more detail. Debates or discussions were organized on controversial topics within the subject area, encouraging advanced learners to analyze different perspectives and articulate their own opinions.

Advanced learners are encouraged to express their understanding of the material through creative projects such as creating a multimedia presentation and short YouTube videos

Report of slow and advanced learner
Department of physics
2022-2023

Following activities have been taken for for slow learner students

1. Extra lecture taken for students difficulties solving
2. Group Discussion.
3. Notes and old question paper to students.

Detail Report on Activities for Slow Learner Students

In line with our commitment to ensuring holistic academic development and inclusive education, various activities have been undertaken to support slow learner students in overcoming their academic challenges. These activities aim to provide additional assistance, foster engagement, and enhance learning outcomes for students facing difficulties in their studies.

1. Extra Lectures: Extra lectures have been organized to address the specific difficulties faced by slow learner students in various subjects. These sessions are designed to provide focused attention on topics that students find challenging, allowing them to clarify doubts, deepen their understanding, and gain confidence in their abilities. Qualified teachers conduct these sessions, tailoring their approach to suit the learning styles and needs of individual students. By offering additional instructional support, we aim to bridge learning gaps and facilitate academic progress among slow learner students.

2. Group Discussions: Group discussions play a vital role in promoting collaborative learning and critical thinking skills among students. For slow learner students, these sessions offer an opportunity to engage with peers, share perspectives, and learn from collective

insights. Facilitated by experienced educators, group discussions encourage active participation, peer support, and constructive feedback, creating a conducive learning environment for all students. Through collaborative problem-solving and knowledge-sharing, slow learner students can develop a deeper understanding of academic concepts and improve their overall learning outcomes.

3. Provision of Notes and Old Question Papers: Access to comprehensive study materials is essential for supporting the learning needs of slow learner students. To facilitate their academic progress, notes and old question papers are provided to students, enabling them to review key concepts, practice problem-solving techniques, and familiarize themselves with exam formats. These resources serve as valuable supplements to classroom instruction, allowing students to reinforce their learning independently and at their own pace. By offering structured study materials, we empower slow learner students to enhance their academic skills, build confidence, and achieve academic success.

The implementation of these activities underscores our commitment to fostering an inclusive learning environment where all students, including slow learners, can thrive academically. By providing tailored support, facilitating collaborative learning experiences, and offering comprehensive study materials, we aim to empower slow learner students to overcome challenges, realize their full potential, and succeed in their academic pursuits. Moving forward, we remain dedicated to continuously evaluating and refining our approaches to ensure the holistic development and academic success of all students.

We extend our gratitude to the faculty members Dr. S. D. Charpe, Prof. R V. Bhagwat administrators, and support staff who have contributed to the planning and implementation of these activities for slow learner students. Their dedication and commitment have been instrumental in creating an inclusive educational environment that prioritizes the needs of every student.

Slow and Advance Lerner Report
2022-2023

Extra and Simplified lectures for slow learners

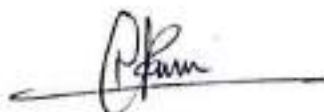

Throughout the year some extra and simplified lectures were conducted for slow Lerner students apart from lectures and practical's some effective and active learning methods was also there for these students for better understanding of subject, such as

- Animated Videos for better understanding of experiments such as DNA Replication, Transcription and Translation etc.
- Survey in College campus area to understand Habit and habitat of different members of animal Kingdome e.g. chordates and non-chordates (Leech, Earthworm, Mantis)
- Group discussions were also conducted to make student active and vocal for better understanding of All topics.

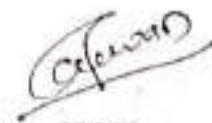

Motivational session and extra activities for Advance learners

After the knowing about an eagerness of advance learners to learn and acquire knowledge. In this academic year of 2022-2023 we have arranged so many activities to fulfil there their need. e.g.

- Sessions for understanding of quality reference Books such as Leininger, Kuby's Immunology etc.
- Providing lectures on Importance of research for their Brite future.
- Introduce them to all the possibilities and every possible path for secured job and shining career.
- Arrangement of guest lecture of Active peoples in field of research and Civil servants like Deputy collector, PSI Forest officers etc.

Academic Session 2022-23

Slow Learners & Advanced Learners

Remedial Guidance to Slow Learners-

Slow Learners are always supported in their studies. The students are motivated and guided to cope with difficulties in the learning process. Through frequent counselling and most of the times by providing subject related material like notes, additional books, reference books, their Group Discussion. An attempt is made to augment the level of the slow learners by subject teachers. Remedial Sessions are organized for slow Learner and average students before their University Exam to make them confident and better prepared for exam.

Advanced Learners Are Motivated-

Advanced Learners are motivated and counselled to participate in Seminars, Group Discussion Sessions, Debate Competitions, Elocution Competitions. They are encouraged to organize different curricular and co-curricular activities. A continuous Internal Evaluation System works efficiently with Tests, Assignments, Presentations along with Personal Guidance. They are being provided subject related material like notes, additional books, reference books, Parents are well informed about the performance of the students in parents meet. The Purpose is to improve the competence skill and the research attitude of the students. Remedial Sessions are also organized for advanced learners before their University Exam to make them bring satisfactory score with accuracy.

Library plays a vital role in enhancing the level of the students-

Issuing of books at regular intervals, a large reading room and the available online resources are some of the special features of the library. Department of English has departmental library catering to the need of the students. Advanced Learner are advised to use more online resources. Special efforts are made by the institution in improving the Communication and Presentation skill of the students.

The outcome of the efforts is satisfactory as it results into good result of the slow and advanced learners at the university level examinations. Advanced learners achieve excellence in Seminar Presentation, Essay Competition, Debate Competition etc. and prove themselves at every level.

Activity for Slow and Advanced learners

Students' Seminars

We have organized Presentation of Seminar especially for the Advance learners and slow learners. Seminar presentation builds their confidence and makes them prepare some topics to present it before the other students. They learn to learn the topic by heart for presentation. This activity helps them to boost their morale and helps them also do their curriculum study properly. Through this activity they are also motivated and guided to take participation in various competitions being organized by the various institutions and Government Departments. Through this we make them upgrade in their study and also communicate in English so that fear of English communication should be removed.

Activity for Slow and Advanced learners

Group Discussions-

Group Discussion activity was conducted for advanced and slow learners. This activity makes them explore their potential in English slowly and steadily. It boosts their confidence and also motivates them to participate in another such activities to upgrade them in their study. It helps the students develop their critical thinking skills, problem solving abilities and communication skill. Group Discussion involves sharing of learning by students which equally benefits all the students. Group Discussion involves an exchange of ideas where important things are learnt from each other. This activity organized for advanced and slow learners surely helped them to cope up with their development.

Elocution Competition on "Today's youth is empowering with the use of Technology"-

On the occasion of 124th Birth Anniversary of founder president of our parent institution late Dr. Punjabrao alias Bhausaheb Deshmukh, Debate Competition on "Today's youth is empowering with the use of Technology" was organized by Department of English for students on 26th December 2022 in the college. Along with all the students Advanced and Slow learners were also motivated to participate in this competition to get them boosted and build their confidence. This Eight students took part in it and expressed their views in English on the present topic. This competition was judged by Prof. Himanshu Jaiswal. In this competition 1st rank was secured by Ankush Kambe(M.A.I) while 2nd rank by Dhanashri Anasane(B.Com.II). Ms. Gayatri Utale(B.A.I) secured third rank. On this occasion, Dr. Narendra T. Mane, Head of the Department of English, introduced the topic to the students and also explained how debate on this topic will explore the views of students about its values and importance in their life. Such competitions boost the morale of the students and help them develop their communication skills. Principal Dr. A.K. Bodkhe appealed the students to take part in such activities positively and avail the opportunities approaching towards them. Prof. Manish Hole proposed vote of thanks. Teachers and students in the college were present on this occasion.

Activity for Slow and Advanced learners

Departmental Library-

Departmental library is also intended to extend help to the advanced and slow learners in their development. As the most of the students come from the poor and disadvantaged section of society, they are not capable of purchasing even their textbooks. The copies of textbooks available in the central library are not adequate. As such the students can be benefited by the departmental library. The students donate their previous year books to the departmental library. The teachers also donate books in order to inculcate reading habits among the students. These books mainly include text books, story books, novels, journals, great classics and also reference books. These books are issued to the students who cannot afford to buy them. This practice of donating books to the departmental library will also inculcate the spirit of co-operation and comprehensive outlook of the students.

Slow & Advanced Learners

Report : 2022-23

शैक्षणिक सत्र 2022-23 मध्ये बी.ए प्रथम वर्ष अर्थशास्त्र विषयात एकूण 83 विद्यार्थ्यांनी प्रवेश घेतला. या शैक्षणिक सत्रामध्ये विद्यापीठाच्या हिवाळी आणि उन्हाळी परीक्षा निकालाच्या आधारे कमी गुण प्राप्त विद्यार्थ्यांमधून 07 विद्यार्थी **Slow Learner** समजण्यात आले. सोबतच या परीक्षेमध्ये ज्या विद्यार्थ्यांनी जास्तीत जास्त गुण मिळविले असे 07 विद्यार्थ्यांना **Advanced Learner** संबोधल्या गेले.

Slow Learner विद्यार्थ्यांच्या वेळापत्रकानुसार 1 ऑगस्ट नंतरच्या प्रत्येक शुक्रवारी बी.ए प्रथम वर्ष अर्थशास्त्र विषयाला 1 तास म्हणजेच एकूण 20 तासिका घेण्यात आल्या. शैक्षणिकदृष्ट्या कमकुवत आणि अतिसुधारित विद्यार्थ्यांसाठी अतिरिक्त वर्ग घेण्यात आले. यामध्ये अशा विद्यार्थ्यांची निवड केल्या गेली जे ग्रामीण भागातून आले होते, जे आजूबाजूच्या भागात राहत होते आणि ज्यांना रोज वर्गामध्ये येणे शक्य नव्हते अशा विद्यार्थ्यांना प्रवेश दिल्या गेला. या विद्यार्थ्यांना वैयक्तिक समुपदेशन केले, अभ्यासामध्ये असणाऱ्या अडचणी सोडविल्या, यांना अधिक गुण कसे मिळतील यासाठी प्रयत्न केले.

तसेच **Advanced Learner** विद्यार्थ्यांना जास्तीत जास्त यश प्राप्त होण्याच्या उद्देशाने 1 ऑगस्ट नंतरच्या प्रत्येक मंगळवारी बी.ए प्रथम/द्वितीय वर्ष अर्थशास्त्र विषयाला 1 तास म्हणजेच एकूण 20 तासिका घेण्यात आल्या. या विद्यार्थ्यांना मार्गदर्शन, गटचर्चा, अभ्यासामध्ये असणाऱ्या अडचणी सोडविल्या, यांना अधिक गुण कसे मिळतील यासाठी प्रयत्न केले.

Session 2022-2023

Slow Learners & Advanced Learners Department of Home-Economics

Slow Learners 2022-2023

Report on Remedial Coaching

The Remedial Classes are conducted by Home-Economics departments .Extra Classes are arranged for slow learners. To help weak students to solve their problem and make the practice more by solving exercise . To help Slow Learners in their preparation and studies. The students to motivate them ,and guide them to cope with difficulties in the learning process. Through frequent counseling and most of the times by the providing subject related material like class ,notes .additional reference books, videos and PPTs related with subject, Group Discussion, Objective type of questions were discussed a sincere attempt is made to augment the level of the slow learners. Remedial Session are organized for slow Learner and average students before their University Exam to make the confident and better prepared for exam .

Advanced Learners Are Motivated

By making them to participate in programmers or competitions like Seminars , Quiz Competitions ,Poster and Model competitions , Debates ,Research Project Competitions etc.They are encouraged to organized exhibitions and curricular activities A Continuous Internal Evaluation System works efficiently with Tests ,Assignments , Presentations along with Personal Guidance .Parents are well informed about the performance of the students . The Purpose remains to improve the competence skill and the research attitude of the students.

Library plays a vital role in enhancing the level of the students :

Issuing of books at regular intervals a large reading room and the available online resources are some of the special features of the library .Most of the departments maintain their departmental libraries catering to the need of the students Advanced Learner are advised to use more online resources . Special efforts are made by the institution in improving the Communication and Presentation skill of the students.

The outcome of the efforts made by the college is satisfactory as it resulted into a good result of the slow and advanced learners at the university level examinations. Advanced learners achieved excellence in Seminar ,Essay , Poster Debate Competition etc .and proved themselves at every level.
