I] **Name of Event:** Science Day: Science Outreach Programme – 2023

Theme of Science Day: Global Science for Global Wellbeing”

Date: 28th February 2023

On 28th Feb. 2023, the department of Botany organized a online Quiz competition on the occasion of ‘Science Day Celebration’. The theme of the quiz was ‘Integrated approach in science and technology for a sustainable future.’ During the event, about 100 students of Botany participated in this Quiz competition. The quiz was based on the facts related to science and technology and sustainable practices adopted in the field of Botany. On the same day, the students of Adarsha School, Ratnabai Rathi School, Daryapur visited the Botanical Garden of the college. Dr. N.S. Gopkar informed the various medicinal plants and their medicinal significance to the students.

Celebration of World Forest Day 2023:

On 21st March 2023, department of Botany organized an event on the occasion of 'World Forest Day'. The theme for world forest day 2023 is 'Forest and Health'. This day celebrates and raises awareness of the importance of all types of forests. In pursuance to the same, a documentary has been presented to the students of B.Sc. After that there was a discussion session regarding the need of forest to continue sustainability and survivability of the ecosystem. 52 students participated with enthusiasm in the event. This was an enlightening session for the students as they got to know that the importance of the conservation of existing forest is as important as planting the new one. Along with this, geotagging of the event was done. It was an informative and factful activity conducted by the department and it was explained about how restoration and sustainable management of forests can help address climate change and biodiversity crisis. A one day nursery visit nearby gram Shiwar Tq. Daryapur was organized on the same day. The field trip was attended by all Botany students along with all Botany staff. The students versed with young seedlings, indoor, outdoor, plants, medicinal and ornamental plants and their importance in our lives. The students were introduced to various techniques used for plants propagation on the large scale for commercial purposes. They also learnt about providing appropriate artificial living conditions for cultivation of all off-season variety plants along with their protection and final plantation in bags and pots for sale. They enjoyed the field trip to the most and shared their knowledge with others.

EXPERIENTIAL AND PARTICIPATIVE LEARNING

A. Experiential Learning

Just like every year this year also J. D. Patil Sangludkar Mahavidyalaya celebrated NATIONAL SCIENCE DAY-2022 to mark the discovery of the Raman Effect by Indian physicist sir C. V. Raman on 28th of February. This year college undertook the activity entitled as “Exploring the world of Science”, to the young scientist. In which we invited students from different schools to visit all the science department including the department of Microbiology.

Students of 8th and 9th standard from various schools visited department of microbiology. Under the guidance of principal Dr. A. K. Bodkhe sir and Mr. Himanshu Jaiswal, who is head of the department faculty members Ms. Apurva Shah and Ms. Vanshita Poddar introduced these little kids with various beneficial activities of micro-organisms. Students of B.Sc. demonstrated the use and handling frequently used instruments. The queries from the budding scientific minds was solved.

Hole organized One Day Workshop on “**Communication Skills, Soft Skills & Personality Development**” was organised on 11th April, 2023. **Dr. Shitalbabu Tayde from Arts & Commerce College, Darapur** was the guest speaker. In his presentation, he stressed the importance of SLRW, Speaking, Listening, Reading and Writing. Consistency in practice of spoken English will lead to good command on language. He also stressed the importance of good communication skills to get jobs in different fields. He unfolded the traits of personality and soft skills development for enriching their knowledge and career. Principal Dr. A. K. Bodkhe presided over the function. He also gave some tips to succeed in building confidence to excel in Soft Skills & Personality Development.

No. of Commerce participant: 47

PARTICIPATIVE LEARNING METHODOLOGY:

- Debate Competition on “Today’s youth is empowering with the use of Technology”-

On the occasion of 124th Birth Anniversary of founder president of our parent institution late Dr. Punjabrao alias Bhausahab Deshmukh, Debate Competition on “Today’s youth is empowering with the use of Technology” was organized by Department of English and department of Marathi for students on 26th December 2022 in the college. In this competition 2strank was secured by Dhanashri Anasane(B.Com . I

Students' Seminar Presentations—

We have organized Presentation of Seminars for the students. Seminar presentation builds their confidence and makes them prepare some topics to present it before the other students. They learn to learn the topic by heart for presentation. This activity helps them to boost their morale and helps them also do their curriculum study properly. Through this activity they are also motivated and guided to take participation in various competitions being organized by the various institutions and Government Departments. Through this we make them upgrade in their study and also communicate in English ,Marathi and Hindi also so that fear of communication should be removed.

faculty organized Students Seminar

PROBLEMSOLVINGMETHODOLOGY:

- **Group Discussion-**

Group Discussion activity was conducted for the students. This activity makes them explore their potential of communication in Commerce & Economics slowly and steadily. It boosts their confidence and also motivates them to participate in another such activities to upgrade them in their study. It helps the students develop their critical thinking skills, problem-solving abilities and communication skill. Group Discussion involves sharing of learning by students which equally benefits all the students. Group Discussion involves an exchange of ideas where important thing are learnt from each other. This activity organized surely to help students to cope up with their development.

Students participation in Group Discussion

Teachers interacting with the students in solving problem and difficulties

Campus Drive

On 27/03/2023 Faculty organized a Campus Drive with the collaboration of Career Counseling Cell and Equal Opportunity Cell of our college . The company was Abell Electro Soft Technologies Pvt. Ltd..The company required the candidate for labeling , painting and counting the trees in different District . But the term and condition of company was very rigid so that the students were not read to go for that job .

Guest Lecture

On 05/04/2023 faculty organized a Guest Lecture on Career Counseling & Career Opportunity with the collaboration of Career Counseling Cell and Equal Opportunity Cell of college. The guest speaker **Dr. Avinash Sirsat of Nilay Foundation of Pune** gave his valuable knowledge about future career opportunities and how to face an interview for achieve a suitable job.

The department of English organized various conducive students' centric activities through experiential, participative and problem solving methodologies for the enrichment of knowledge and learning experience among the students

EXPERIENTIAL LEARNING:

- **Personal Interviews of Students-**

Department of English organized 'Poetry Recitation Competition' for students on 7th Jan., 2022 as an initiative to cultivate the skill of communication among the students. On this occasion, Dr. A. P. Chandurkar, Arts Faculty In-charge and Dr. N. T. Mane were the guest of honour. Dr. D. B. Wankhade worked as co-ordinator of this competition while Prof. Manish Hole and Prof. Dr. P. W. Pantawane were the examiners. In all 13 students of various streams of UG and PG programmes participated in this poetry recitation competition. Besides, a large number of college students were present as listeners. In this competition, 1st rank was secured by Vaishnavi Raut(B.A.II) and while 2nd rank by Aditya Athawale(M.A.I Mar.). 3rd rank was bagged by Avi Khandekar(B.A.II)

Conducted Personal Interviews of Students to make them experience the interactive mode of communication

- **One Day Workshop on “Communication Skills, Soft Skills & Personality Development”**

One Day Workshop on “Communication Skills, Soft Skills & Personality Development” was organised on 11th April, 2023. **Dr. Shitalbabu Tayde from Arts & Commerce College, Darapur** was the guest speaker. In his presentation, he stressed the importance of SLRW, Speaking, Listening, Reading and Writing. Consistency in practice of spoken English will lead to good command on language. He also stressed the importance of good communication skills to get jobs in different fields. He unfolded the traits of personality and soft skills development for enriching their knowledge and career. Principal Dr. A. K. Bodkhe presided over the function. He also gave some tips to succeed in building confidence to excel in Soft Skills & Personality Development. Dr. Narendra Mane delivered an introductory speech while Dr. Anagha Tak anchored the workshop. Ms. Puja Rajput proposed vote of thanks. Prof. M. K. Hole, teachers in the college and students were present in this workshop.

Principal Dr.A. K. Bodkhe and Dr. Shitalbabu Tayde delivering guest Lectures on “Communication Skill, Soft Skills & Personality Development”

PARTICIPATIVE LEARNING METHODOLOGY:

- Debate Competition on “Today’s youth is empowering with the use of Technology”-

On the occasion of 124th Birth Anniversary of founder president of our parent institution late Dr. Punjabrao alias Bhausaheb Deshmukh, Debate Competition on “Today’s youth is empowering with the use of Technology” was organized by Department of English for students on 26th December 2022 in the college. Eight students took part in it and expressed their views in English on the present topic. This competition was judged by Prof. Himanshu Jaiswal. In this competition 1st rank was secured by Ankush Kambe(M.A.I) while 2nd rank by Dhanashri Anasane(B.Com.II). Ms. Gayatri Utale(B.A.I) secured third rank. On this occasion, Dr. Narendra T. Mane, Head of the Department of English, introduced the topic to the students and also explained how debate on this topic will explore the views of students about its values and importance in their life. Such competitions boost the morale of the students and help them develop their communication skills. Principal Dr. A.K. Bodkhe appealed the students to take part in such activities positively and avail the opportunities approaching towards them. Prof. Manish Hole proposed vote of thanks. Teachers and students in the college were present on this occasion.

Students presenting topic in English in Debate Competition

- Students' Seminar Presentations –

We have organized Presentation of Seminars for the students. Seminar presentation builds their confidence and makes them prepare some topics to present it before the other students. They learn to learn the topic by heart for presentation. This activity helps them to boost their morale and helps them also do their curriculum study properly. Through this activity they are also motivated and guided to take participation in various competitions being organized by the various institutions and Government Departments. Through this we make them upgrade in their study and also communicate in English so that fear of English communication should be removed.

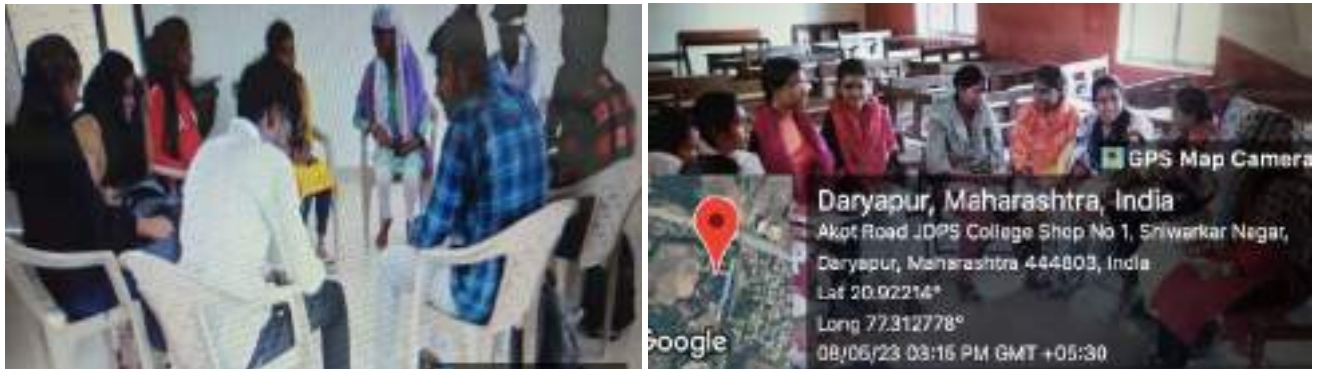

Students presenting Seminars and teachers solving their problem

PROBLEM SOLVING METHODOLOGY:

- Group Discussion-

Group Discussion activity was conducted for the students. This activity makes them explore their potential of communication in English slowly and steadily. It boosts their confidence and also motivates them to participate in another such activities to upgrade them in their study. It helps the students develop their critical thinking skills, problem-solving abilities and communication skill. Group Discussion involves sharing of learning by students which equally benefits all the students. Group Discussion involves an exchange of ideas where important thing are learnt from each other. This activity organized surely to help students to cope up with their development.

Group Discussion

Group Discussion, this approach provides participative learning. GDs are arranged on regular basis for the students. The students learn well when they are participated in the process of teaching-learning. Therefore, the Department of History organizes group discussion for B.A I students to share their views, knowledge and clear their doubts through actual participation. On dated 18th August 2023 such activities have resulted in enhanced performance of the students.
