Teaching is very good

Time guidance and hard work

Teaching is well but improvement in lab is mandatory

All Time give a good suggestion.....new update also give on time.

My experience was so very very good

Excellent teacher and their teaching

Use better graphics and visual media to engage students well 2. try to reach every student and ask for their doubts 3.make teaching a two way international

Exlent

done

Very good teacher

Good experience

Good at all

Teachers should encourage the students for thier weakness and should give guidance about the future entrance exams whichever is related to thier feild at least one doubt session in week should be conducted for the hard topics the proper time table with a break should be given in academics for saving the time of outside villager students and lastly the students who are interested to do reasearch in a particular feild they should get the correct and perfect guidance with a experienced mentor to do research in thier labs and should get guidance about research papers if any student want to make it happen that's all is needed here and most important thing is to decrease the price of assignments books , practical pages it will more helpful for those economically weak students who are struggling for it rest of all is good with a good teachers and with a excellent principal sir who conducted this survey for us thank you so much sir and all teachers and staff who provided it to us lastly I request to the honourable principle sir and the owner sir of this survey that they should notice about it ! Thank you all
