EXPERIENTIAL AND PARTICIPATIVE LEARNING

A. Experiential Learning

The National Science Day-2024 was celebrated by our college to mark the discovery of the Raman Effect by Indian physicist Sir C. V. Raman on the 28th of February. This year the department organized “Scientific Poster and Model Presentation Competition”, For our students and students from various schools and colleges.

Student from schools and colleges visited poster and model competition. Under the guidance of principal Dr. A. K. Bodkhe sir, Head of science faculty Dr. V. D. Elkar and Head of Microbiology Mr. Himanshu Jaiswal and faculty members Dr. Nivrutti W. Bagalkar and Ms. Vanshita Poodar.

During the event students demonstrated posters and models on Electrophoresis, Biofertilizer, and Gram Staining, and posters on various science topics, during interaction queries from the budding scientific minds were solved.

Students were very excited to learn new things, and amazed to know about the tiny world under the microscope. It was indeed a pleasure for all of us to undertake such an interesting activity.
